

I share ideas and talk about what I am learning and how I learn best.

I persist with learning even when it is challenging.

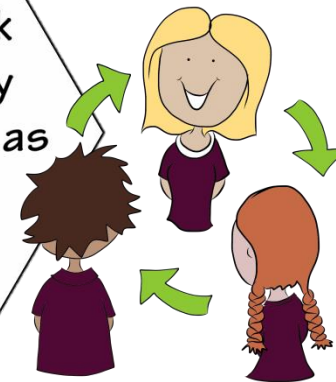

I make connections with what I know to help with learning.

I have a clear and challenging learning goal and a plan on how to achieve it.

**I am a SUCCESSFUL LEARNER when ...**

I use feedback to improve my learning as well as the learning of others.

I explain what I have learned and know my next learning steps.
