Preschool Enrolment Procedure

Thank you for your interest in joining the Monash Preschool Community!

This information accompanies the *Preschool Enrolment Registration* form and explains how preschool placements are determined for Department for Education sites.

If you have any questions regarding enrolling at Monash Preschool, please contact us on 8583 5361.

Preschool Enrolment Registration

Families are required to complete a *Preschool Enrolment Registration* form to ensure their interest in attending Monash Preschool is on our records. These forms are available at our admin office, and can be completed at any time.

Preschool enrolments will be determined by applying the following Department policy:

First Round Offers

Children living in the immediate local area, known as the 'local catchment area,' will be offered a place at Monash Preschool (if registered) in August of the year prior to the child beginning preschool.

The boundaries for Monash Preschool are as follows;

To the North - Golledge Rd

To the South - West Rd, Distillery Rd, Trenaman Rd, Woolston Rd, Minniss Rd, Bigg Rd to Sturt Highway.

Non-road boundaries to the NE and NW complete the catchment area.

Second Round Offers

If vacancies exist at our Preschool after first round enrolments are confirmed, enrolment registrations for children residing outside the Preschool's local catchment area will be considered, and families will receive an enrolment offer in September of the year prior to the child beginning preschool.

Considerations will be made based on the following criteria:

1. Children identified as Aboriginal or Torres Strait Islander.
2. Children with siblings enrolled at Monash Primary School.
3. Distance of residence from the Preschool.
4. Current attendance in local programs, such as playgroup.
5. Transportation needs.
6. Special consideration for placement.

Monitoring, Evaluation And Review

This policy has been ratified by the Governing Council and is subject to annual review by the Governing Council.
