2020 MATERIALS & SERVICES CHARGE

UNDER GUIDELINES FROM DEPARTMENT FOR EDUCATION A VERIFIED COPY OF MONASH PRIMARY SCHOOL'S MATERIALS AND SERVICES CHARGE FOR 2020 IS BEING SENT OUT TO EACH FAMILY WITH THIS NEWSLETTER

In line with these procedures, parents (if they wish) are invited to discuss the composition of this charge with the Principal or the Governing Council Chairperson. Parents are welcome to express their views in writing to the Chairperson prior to our Governing Council meeting on Tuesday, 12th November. Our 2020 fees for Monash Primary School are in line with the standard sum that can be charged, as determined by Department for Education for primary students in South Australia for 2020, being \$244.00 per student for the full year.

Each family will be invoiced at the end of the 2019 year for 2020. School Card application forms can be completed online at www.sa.gov.au or paper copy collected from the office. If you are unsure if you qualify or for more information please see the office staff. If you were eligible in 2019 you will receive a 2020 School Card application form with your invoice, to complete if you believe you will again be eligible. These M & S Fees only apply to school students. Thank you.

WELCOME BACK

It has been great to catch up with many students and families over the last couple of days and hear about holidays and their excitement for this term. It will be busy with lots of fun events, including: Music Count Us In; End of Year Concert; Splash Day; Year 7 Graduation; Year 6 and 7 Student Led Project Expo; Canberra Camp; transition visits for Preschool to Reception; Year 7 to Year 8 and pre-entry or 2020 preschoolers, and a range of other opportunities that will pop up!

The end of last term saw us host another highly successful Sports Day. We had fantastic weather and awesome community support, and our House Captains led their teams beautifully. A big thank you to Jimmy Vlassopoulos for the work he put in to organise such a successful event.

CLASSES 2020

In the coming weeks we will begin the process of organising classes for 2020. If you have a child, or know of any children who intend on coming to Monash Primary & Preschool for the first time in January 2020, please contact the school to make arrangements for enrolment. Additionally, we would also appreciate knowing of any children who won't be continuing at Monash Primary & Preschool next year.

NEW STUDENT

We welcome to Monash Primary & Preschool Lucas B. Lucas is in Reception in Miss Iskra's class.

Our 2019 Monash Primary & Preschool Good Fun Sports Day was conducted on Wednesday, September 25th. We had a fantastic day, which ran really well and the weather was great. We were very lucky to have Nathan Woodrow open our Good Fun Sports Day. Classes then split off to go and take part in their Tabloid Events. After recess the whole school sat under the COLA to watch the relays. After lunch we had the age level races (sprints). Most students were involved in the sprints and they all put in a fantastic effort with their being some very close races. At the conclusion of the sprints, we had our parent, staff and student relay, Tunnel ball was the relay this year. In a funny and close contest, the parents narrowly got up over the staff and students.

All participants undertook each activity with great effort and endeavour. Additionally, the great sportsmanship showed by all teams was noted by numerous spectators on the day.

With all students putting in fantastic efforts, this meant that the overall results were going to be very close.

Industry won the General Competition Shield (points awarded in practices and team meetings before Sports Day) and Marion won the Champion Shield (points accumulated in the events on the day).

General Competition Shield

1st – Industry 407

2nd – Coonawarra 401

3rd – Marion 387

4th – Avoca 343

Champion Shield

1st - Marion 144.26

2nd – Avoca 113.58

3rd – Coonawarra 109.08

4th – Industry 101.40

I would like to thank all staff and parents for their help and support in organising and running this fantastic event. A few special mentions, class teachers for doing a lot of work during the last couple of weeks in Term 3 to organise their classes for the day, especially with the tabloid and relay events. Mr Trobbiani and Mrs Kileby for all the work they did with the house captains. They gave up a lot of their own time (before school, after school and during their NIT) to get them organised for Sports Day, and the work really paid off. Wayne for organising the sound system and music. Nathan Woodrow for opening our Sports Day and Ms Strout for organising him to come and speak to us. Mrs Ridley for practising the health hustle with classes. Jane and Nicole for organising the delicious hot dogs for lunch. Peter Schramm for marking out the running track. Parents and Friends for selling drinks and organising the ribbons. And to the parents who stayed behind after Sports Day and helped with packing up.

CRICKET CLINICS

On Wednesday, September 18th, Kurt Miegel from the SACA visited our school to conduct cricket clinics with classes in Health and PE lessons. Students were taught the basic skills needed to effectively play cricket (batting, bowling & fielding) in a variety of skill drilled activities and modified games. The students really enjoyed the clinics and they learnt a lot from them. Thank you to Kurt for visiting our school and putting on these clinics for our students.

STATE SAPSASA TENNIS

Congratulations to Lachlan who has been selected in the Riverland SAPSASA Boys Tennis team to play in the State Carnival in Adelaide. The Carnival will be held in Week 4 of this term (November 4th-8th). This will be a great opportunity and experience for Lachlan, and we wish him all the best for the Carnival.

PREMIER'S BE ACTIVE CHALLENGE 2019

Last term all students at Monash Primary School were given the opportunity to take part in the Premier's Be Active Challenge. The Challenge was to do a minimum of 60 minutes of physical activity on at least 5 days of the week for 4 weeks. Students were required to record their activities on a log sheet which was given to them at the beginning of the challenge. All junior primary classes undertook the challenge as a group (completed the challenge as a class).

The upper primary students (4/5-6/7) were required to complete the challenge individually. Congratulations to the following upper primary students who completed the challenge (these students did the required amount of physical activity, correctly filled it into their logs and submitted the log to Mr Vlass before the due date):

4/5 Thiele - Dillon, Kirah H, Tanika, Rhianna, Anthony & Keira C

4/5 Strout/Neumann - Nikita, Zara & Ariah

6/7 Kilsby/Mass - Noah B, Oscar & Brodi

6/7 Trobbiani - Mackenzy, Sarah, Liana & Lachlan

Hair with Heart Melody's Magnificent Mane

Hi there, for my Student Led Project I've been researching cancer and discovered there are lots of kids suffering from hair loss due to illnesses. I've decided to have my hair cut and turned into a wig to be given to a child who needs it more than me. On November 1st I'll be getting my hair cut during assembly and donating my 46cm long ponytail and money raised to Variety. If doing this makes at least one child smile, then I'll be so happy to know my project made a positive difference in someone's life.

I can't do this alone. To make a donation please visit:

<https://hairwithheart.everydayhero.com/au/melodys-mane>

All funds raised will be donated to 'Variety – the Children's Charity' to help give Aussie kids in need a fair go.
