LIAM THE LION TOY DRIVE

“Please help us bring a little happiness into the lives of those who need it most”

Liam Wigg was a child at our Preschool in 2019 and, along with his parents Teagan and Daniel and younger brother Chase, was a member of our Playgroup. The Wigg family is part of the Monash community. Some of you may be aware that Liam passed away in July at the age of 4, after living bravely with serious medical conditions.

The Wigg family are organising a Toy Drive in memory of Liam. To support their cause, we are inviting families of our school and preschool to purchase new toys and items for the drive, which can then be brought into our admin office. From there, we will ensure the toys are given to Teagan and Daniel so they can deliver them to Adelaide to support palliative families in South Australia.

All the details are included in the two flyers in this newsletter, including information about what is suitable to be donated.

Hot Shots Tennis

On Friday the 21st of August we had 47 students across the school, ranging from Year 2 to Year 6, participate in 'Hot Shots Tennis'. The event was organised by Tennis SA and held at the Renmark Tennis Courts. It was fabulous to see such a high level of participation. Our students excelled in their ability to demonstrate good sportsmanship, resilience and patience. Thankyou also to Mr Thiele and Ms Strout who came along and made sure the day ran smoothly.

Riverland Primary Schools' Music Festival 2020
Not Better. Not Worse. Just Different.
August 24th Waikerie Lutheran Primary School.

Jo and I were SO excited to take these amazing singers to this event. We were humbled by their enthusiasm and desire to Just Sing!! They didn't need an audience. They were there to do what they loved and be surrounded by like-minded children. We are very grateful to Waikerie Lutheran Principal Adam Borgas for allowing us all on site at his school and for his support in providing a safe environment for our singers and adults. Our singers have been so resilient, persisting under challenging situations, knowing that they may not actually get the opportunity to sing. Congratulations Mia, Isla and Dillon who won individual solo and host positions through the audition process and to Grace for choreography support. The audition process was a bit different this year in that our school auditions were face-to-face but the Festival auditions were done via recordings. Our panel enjoyed watching all of the videos but it just wasn't the same as seeing the singers, seeing how they react in front of an unknown audience and we missed the energy and excitement that that the kids bring to the room.

Choir is much more than just singing. We have learnt 8 songs. Some with choreography, some with auslan signing and a couple with quite lengthy, wordy, tricky lyrics. We bought a train to life just as it was being taken down to the Breaker's Yard. We lived the life of a Viking warrior. Not just any warrior but that of Magnus Erlendsson a Viking chief who had a reputation for his humility and gentleness. Teaching us that the higher ground can be the one where you walk away from a conflict but not be defeated. We created a spider spinning a web with our beautiful head voices and cyclic lyrics. Our favourite song was simply titled SING!

*"It doesn't matter if your days are long! It doesn't matter if your night's gone wrong.
Just clap your hands and stomp you feet and SING!"*

KISS N DROP ZONE

This zone is at the front of the admin building, along Jackson Street. It is a 'no parking' area from 8:30am-9:00am.

The protocol for using the Kiss n Drop is:

- *Pull into an available parking space.
- *Stop your car and enable your child to safely get out of the car.
- *If your child needs assistance to get organised, you are welcome to get out of your car to help them. However, you need to stay with your car and not walk your child into the gate if you are parked in the Kiss n Drop zone.
- *Once your child is safely walking into school, check for traffic and pull away from the kerb.

After 9:00am, this zone is no longer 'Kiss n Drop', and cars can park there.

**Things to remember
to keep everyone
safe around our
school and preschool**

25kph when children are present

Please be vigilant around our school and preschool and pay attention to the speed signs.

We have roads that are clearly marked as 25kph when children are present. Even if children aren't clearly visible, it is good practice to slow down at key times of the day such as before and after school and preschool, just to be on the safe side.

FENWICK TERRACE

There is parking available on the school side of this road. Please pay attention to the No Parking zone, which is on the other side of Fenwick Tce (where the grapevines are). There are signage and road markings to indicate the areas that you are not allowed to park.

Have your say on the new name for Glossop High School

In line with Glossop High School moving to one campus, the school will be renamed with the new name to officially be in place from term 1, 2022.

As the school will no longer have a campus in Glossop, the school has to be renamed as per guidelines from the Office of the Surveyor General. The Surveyor General's guidelines are in place to prevent confusion for the general public regarding the school's location.

As current and future members of our school community, I am excited to share with you the shortlist of potential names for our school developed by our Branding Committee.

The Branding Committee is made up of students, staff, parents and local community members and they have worked hard to develop a shortlist of names that meet the requirements set out by the Department for Education and the Office of the Surveyor General.

I encourage everyone to visit our website and vote for your favourite name. There's also space to suggest another name, please keep in mind there are strict rules about the types of names that can be used for a school.

The shortlisted names are:

Moorundie

Moorundie is the local Ngarrindjeri word for river and was suggested by Aboriginal elders from the region.

Riverland

This name reflects the location of the school and highlights that our school is home to students from multiple towns across the region.

Catherine Spence

The Branding Committee identified progressive and inclusive as the key drivers of Glossop High School. Catherine Spence is a prominent South Australian who was a progressive thinker, inclusive and her values reflect those of Glossop High School.

Howard Florey

Howard Florey was a prominent South Australian responsible for developing penicillin and won a Nobel Prize. He was chosen as his progressive thinking and academic achievements reflect the school's values.

There is consideration also of **Secondary College, Secondary School or High School.**

This is an exciting chapter in the history of Glossop High School. I ask everyone to embrace this unique opportunity. This is our chance to develop a name that reflects our school's inclusive, proud and progressive values now and into the future.

Community consultation will be open until 24 September 2020. Please complete the survey on the Glossop High School website to have your say.
